THE 2009 LAP OF PA ROLLS TO THE EAST!

THE 2009 LAP Committee is planning a wonderful PA journey to beautiful Lancaster and fascinating Gettysburg.

You say you have been there, done that—maybe not traveling with a group of Lap-happy drivers behind the wheels of their cherished beauties!!

If you have never Lapped with us before, please plan on joining us! It is a fun time—friends, great roads, super sites, relaxing days, and good food! You would be surprised what there is to see in Pennsylvania!

Gabiak Chevrolet has graciously offered to host our send off with a delicious breakfast at their showroom on Rte. 22. So far, the Lap Committee is considering a stop at Penn's Cave on our way to Lancaster. There is a boat ride inside the rock! Who would have thought!?! We will take the **first day** and mosey our way across the state stopping at other interests as we find them.

The **second day** will be loaded with sightseeing circling Lancaster. We may go to the Strasburg RR or the Middletown & Hummelstown RR; take a buggy ride; tour a glass factory; stop to try our hands (literally) at making a pretzel; visit mouse trip city; take a town tour: New Holland or Intercourse or Paradise; drive some neat "back roads" in Amish country; dine together; and have the option to go to a musical at the American Music Theater- "Route 66" – our kind of show!!

On **Day 3**, we will pack up and travel through beautiful York County with possible stops at the Brown Cow Company; Family Heirloom Weavers; and farm/craft markets. A nice leisurely drive will find us checking into our second abode of the trip in beautiful, historic Gettysburg area. After dinner together, Farkle gaming begins for willing participants.

Day 4 will find us visiting the interesting sites of Gettysburg. The Gettysburg National Military Park opened its brand new Visitors' Center in April, 2008, and we have heard that it is something not to be missed. After a great day of "site-seeing" or just relaxing on your own, we will meet for the LAP Banquet. More Farkle! (By that time, more will be brave enough to join the game!) Morning packing begins **Day 5**. We will head for home following Rte. 30 or venturing onto Rte 68/40 looping into Maryland.

Plans are in their beginning stages, so look for more updates in the upcoming Newsletters.

Here's to the CCWP Lap of PA Lappers!

Be sure to plan on joining the adventure!!
